

Imagine the impact on our region if **EVERY CHILD** had the opportunity to discover and explore their passion in life!

YOU CAN HELP MAKE THAT HAPPEN!

The **SWWC FOUNDATION** believes that all students in the region, no matter where they live or how much money they have, **DESERVE** innovative and learning-rich educational opportunities so they can be positioned to learn, grow and find success.

Funds raised support a variety of **regional** enrichment opportunities for students such as Camp Aspire, Career Expo, Conference for Young Artists, Conference for Young Writers, Creative Writing Contest, Culinary Skills Challenge, Photography Competition, regional Knowledge Bowl competitions, Project Discovery, Regional Spelling Bee and the Science and Nature Conference. These opportunities are an extension of the classroom and give students the opportunity to further explore areas of interest in a hands-on fashion.

The SWWC Foundation was incorporated in December 2017 as a 501c3 public charity and a 509a3 Type II supporting organization. SWWC and the SWWC Foundation exist in a brother/sister relationship. While the organizations are separate and governed by two separate boards of directors, the SWWC Foundation was organized exclusively for the benefit of SWWC Service Cooperative (similar to a hospital or university foundation).
