Reminders

- Please plan to arrive at meets early. When one team is late, the whole meet starts late.
- When a team is unable to attend a sub-region meet due to a weather event, the coach can make a request to advance their team to the region event if they placed high in invitationals throughout the season. Coaches in attendance at the sub-region meet will vote to determine whether their participation will be allowed.
- For invitationals, the number of students/team can be adjusted based on the numbers of students in attendance. The number per team at sub-region and region meets is not flexible.

Mark your calendar. The Spring Knowledge Bowl Coaches' Meeting will be held on **Wednesday, May 1, 2019** at the SWWC Service Cooperative in Marshall.
