

## Knowledge Bowl<sup>®</sup> Coaches' Meeting - Regions 6 & 8 September 22, 2021

Held via ZOOM

Welcome new coaches! Please reach out to fellow coaches or SWWC if you have any questions. We'll take care of you. 😊

We are planning to have normal, in-person Knowledge Bowl! If you are planning to host a meet, please send out your school's rules regarding COVID when you send your invite. Will teams be required to wear masks, disinfect between rounds, etc.? Plan for a little extra space between teams whenever possible. Sub-region and Regional meets hosted by SWWC are held at Minnesota State facilities and will follow their rules. Currently, face masks are required on all campuses.

The Knowledge Bowl website was reviewed. That's where you will find all the scheduled invitationals, sub-region and regional meets, practice questions, coach directory, registration links, etc. Please let Gail know if you notice any broken links or incorrect information.

Please review the Coach Directory and Coach Cell Phone links on the website. These are the email addresses used to send out invites, so make sure we have the correct information.

Concentrate on the tabs labeled "All", "Sr. High", and "Jr. High" on the Coach Directory spreadsheet. The Sr. High Email and Jr. High Email tabs will be filled in after everyone has had a little time to review the other tabs. The Coach Directory is accessible to anyone on the web.

The Cell Phone Numbers link requires a username and password. Username- kbcoach Password- question

The username and password are also used to access the practice questions that can be found on the KB Coaches' Information page.

Dates for Invitationals and sub-region and region meets were scheduled. Any schools still interested in hosting should contact Gail.

If you have volunteered to host a meet, please check dates and start times listed on the website. Let me know ASAP if any changes need to be made.

Registration Deadlines: Junior High- December 10 and Senior High- February 11. Registration link is on the website.

Academic Hallmark will be the question vendor for this year. SWWC will provide questions for all Region 8 invitationals and the Region 6 invitationals who request them.

FYI- state coordinators will be asked to vote this spring on the following Sr. High KB issue: "Post season division placement for private schools will be determined by the public school population located in the same town as the private school." If you have an opinion on this issue, let me know so I can vote accordingly. Coaches asked that the possibility of three tiers at State be revisited.

The Spring Meeting will be held on Monday, May 9, 2022 @ 3:30 via ZOOM  
Zoom link will be sent later
