

Your role is pivotal in the success of our online students. As a mentor, you serve as a crucial bridge connecting the district, STARRS Online, and the students and their families. Your efforts in guiding, encouraging, and supporting students help ensure they stay on track and achieve their academic goals. Your communication with families and STARRS Online helps create a cohesive and collaborative educational experience, enabling students to thrive in the online learning environment.

We are grateful for your contribution and look forward to a successful and rewarding year together.
