

All students taking STARRS Online Academy courses should expect to:

- Take ownership of your learning
 - 3-5 hours per course per week - we recommend 30 minutes per class per day
 - Create a positive, motivating learning environment
- Advocate for yourself
 - Email teachers
 - Ask to meet with teacher via TEAMS
- Set educational goals
 - Review what is due daily and complete it
 - Understand the pacing of the course
 - Grades
- Review plagiarism and academic dishonesty
- Take notes in each class
- If falling behind
 - Attend required check in meetings with teacher
 - Goals for time management
 - Attend meeting with teacher, parent, mentor
