

# MacPhailK-12@Home

*Free resource provides enhanced music curriculum for students studying at home and a wide range of resources to assist music educators, including online teaching*

Hello MN Music Educators,

MacPhail Center for Music announces the launch of **MacPhail K-12@Home**. The administration team and teaching faculty at MacPhail have been working nonstop to get this new live online program up and running to support K-12 students and music educators **FOR FREE** during the school closure (slated until May 4, 2020). The program is designed in collaboration with the Minnesota Music Educators Association and the Perpich Center for Arts Education, and is supported with funding from donors.

**MacPhail K-12@Home** will be providing a variety of music classes for the next five weeks (possibly more if distance learning is extended). **MacPhail K-12@Home** will be using Zoom for all live online classes. Week one will have 30 offerings starting on Monday, March 30th. **Check back for additional offerings each week!**

## **Who is eligible for MacPhail K-12@Home Classes?**

Children and Youth grades K through 12 currently enrolled in Minnesota schools. (Some classes may require prior music learning & expertise.)

Music educators or parents homeschooling during shelter in place.

*\* For schools and districts facing equity barriers to Internet access or no musical instruments at home, the eLearning and Online Resources page will be adding new information in the next week to provide more FREE resources.*

## **How do I sign up?**

- 1 – Go to the website: <https://www.macphail.org/community-programs/macphailk12-at-home/>
- 2 – Review course descriptions
- 3 – Click register and complete information
- 4 – Once you've registered you will receive a Zoom link sent to your email address
- 5 – All you need to do at the designated class time is click on the link (Make sure to do this a few minutes ahead of each class. The first time you use zoom, allow extra time.)
- 6 – You may register for as many classes as you wish

Feel free to share this with other music educators and your students. Please message me at [Diaz.roque@macphail.org](mailto:Diaz.roque@macphail.org) if you have any questions?

Cheers,

Roque Diaz, Director of School Partnerships at MacPhail Center for Music
