Validate Levy

Certify Levy

- Information from Department of Revenue

<https://www.revenue.state.mn.us/truth-taxation>

- Truth in Taxation Instructions
- Nonmetro/Metro Example

Parcel Specific Notice

- This is the reason for proposed levy
- See page 14 of handout
- Prepared by County Auditor
- Mailed between November 11-24
- Contents:
 - Proposed property tax compared to last year
 - By Voter Approved and Other
 - By Taxing Jurisdiction
 - Contains time and place of public meeting

Public Meeting

- Time and place must be announced when proposed levy adopted
- Must discuss current budget and proposed levy and allow the public to speak
- Must be held between Nov. 24th and Dec. 28th and after 6:00 pm
- May be part of a regularly scheduled meeting
- May adopt final levy at this meeting

Final Property Tax Levy

- To County by December 28th
 - Copy to MDE by January 7th
- School Board must levy specific dollar amount
 - Cannot use “Maximum”
- **MAY NOT EXCEED PROPOSED LEVY**
 - With exceptions, e.g. new referendum

Allowable Increases to Proposed Levy

- School Districts must not exceed the proposed levy except for the following instances:
 - Voters in the school district approve a referendum to increase taxes
 - An increase in the amount of principal and interest on bonds approved by the voters
 - Pay costs due to a natural disaster
 - Pay tort judgments against a taxing authority
 - Increases approved by the Commissioners of Education or Revenue
 - Default Avoidance, e.g.: Credit enhancement program
- (Minnesota Statutes 275.065, Subdivision 6)

Commissioner's Levy Limitation Change

If the County Auditor declines to grant an extension of certifying a new levy, the school district may request approval from the Commission of Education to certify a final levy that exceeds the proposed levy. The commissioner evaluates requests on a case-by-case basis.

- If the commissioner approves the request, the districts levy limitation will be increased for the final levy to be certified in December and the district will be allowed to certify a final levy that exceeds the proposed levy.
- If the commissioner does not grant approval, the school district may request MDE to increase the district's levy limitation in one area of the final levy with a corresponding reductions in other areas of a district's final levy. The final levy may not exceed the proposed levy on the TNT notices.
- If the request is to decrease a district's levy limitations, the district's final levy in December may not exceed the reduced levy limitations.

Commissioner's Levy Limitation Change

- Commissioners limitation changes are used very judiciously and only for extreme circumstances
- The changes will be considered primarily for levy changes outside of school district's control
 - Mistakes by MDE
 - Adjustments not correctly incorporated

Final Property Tax Levy

- A certified levy does not have to be the proposed amount
 - Certified levy can be more than proposed based on reasons listed or lower based on school board recommendation
 - Unlike the proposed, final certified levy must be a specific dollar amount
- School Districts will certify the final levy amount to MDE through the Levy Certification System
 - May refresh with limits then edit by exception
 - If a district has entered data such as a specific underlevy and then refresh the limits, the data entered will be wiped out. Districts should be aware of that if a refresh is done, the underlevy information will need to be entered
- Certified levy form will be submitted after board certification but close to the end of the calendar year after the amount is certified by School District Board
 - The final certified form signed by the school district board clerk should be sent to the Home County Auditor

Thank you!
