

PBIS Cohort 20

Applications are being Accepted!

It is that time again! If you are not a PBIS school or your PBIS team needs comprehensive PBIS training to enhance programming, please consider applying to be part of PBIS Tier I team cohort training. Training is free to school teams and provided in southern Minnesota.

PBIS is widespread throughout the state and is well represented in our Southern Region. PBIS is about building a positive culture throughout your building, using ongoing data to help with decision making, decreasing unexpected behaviors, and increasing student academic outcomes. It is not a “packaged system” but is, instead, a framework of support that is specific for your site.

If you are interested in learning more, please watch the video below about PBIS Cohort training in Minnesota.

Cohort 20 Application Now Available!

Teams can now apply for Cohort 20 training (August 2024-Spring 2026) on our [“Application for School Training”](#) page or by clicking the direct link below.
