Nurse line services provided by Paradigm Complex Care Solutions

WORKERS COMPENSATION INJURIES

Our nurses can assist with:

- **Providing general guidance including home care remedies after you sustain an injury**
- **If needed, finding a medical facility near your job site and/or home or connect you with a telemedicine provider**
- **Coordinating a modified work program with your physician**
- **Obtaining a return to work document for your supervisor**
- **Assisting you in finding appropriate medical care**
- **Ensure appropriate documentation of your injury, including First Report of Injury (FROI)**

In case of an emergency, dial 911
